

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 3715

IN THE MATTER OF:

Served May 2, 1991

Issuance of Certificate of)
Authority No. 47 to P&T)
TRANSPORTATION CO., INC.)

Case No. MP-91-02

P&T Transportation Co., Inc., holds Certificate of Public Convenience and Necessity No. 47, issued pursuant to the Compact 1/, Title II, Article XII, Section 4. On February 1, 1991, an amended Compact 2/ became effective. The amended Compact, Title II, Article XI, Section 6 provides:

"6. (a) A person may not engage in transportation subject to this Act unless there is in force a 'Certificate of Authority' issued by the Commission authorizing the person to engage in that transportation.

"(b) On the effective date of this Act a person engaged in transportation subject to this Act under an existing 'Certificate of Public Convenience and Necessity' or order issued by the Commission shall be issued a new 'Certificate of Authority' within 120 days after the effective date of this amendment.

"(c)(i) Pending issuance of the new Certificate of Authority, the continuance of operations shall be permitted under an existing certificate or order issued by the Commission which will continue in effect on the effective date of this Act.

"(ii) The operations described in paragraph (i) of this subsection shall be performed according to the rates, regulations, and practices of the certificate holder on file with the Commission on the effective date of this Act.

The amended Compact, Title II, Article XI, Section 9(b) provides:

A certificate issued by the Commission authorizing irregular-route service shall be coextensive with the Metropolitan District.

1/ Public Law 86-794, 74 Stat. 1031, as amended by Public Law 87-767, 76 Stat. 764.

2/ Id. as amended by Public Law 101-505, 104 Stat. 1300.

Certificate of Public Convenience and Necessity No. 47 issued to P&T Transportation Co., Inc., authorizes only irregular route transportation. Accordingly, P&T Transportation Co., Inc., is entitled to be issued a Certificate of Authority authorizing irregular route transportation coextensive with the Commission's jurisdiction in the Washington Metropolitan Area Transit District. Certificate of Authority No. 47 will supersede Certificate of Public Convenience and Necessity No. 47.

Evidence of insurance on file with the Commission covering the operations of P&T Transportation Co., Inc., shows coverage only in the amount required for vehicles with a manufacturer's designed seating capacity of 15 persons or fewer, including the driver. Therefore, Certificate of Authority No. 47 will be so restricted. Such restriction is without prejudice to the right of P&T Transportation Co., Inc., to file an appropriate application to have the restriction removed upon the filing of proper evidence of insurance covering the operation of larger vehicles.

The certificate of insurance on file with the Commission covering the operations of P&T Transportation Co., Inc., is currently acceptable for the restricted operations authorized by Certificate of Public Convenience and Necessity No. 47. However, the coverage afforded by that certificate of insurance is not adequate for operations authorized by Certificate of Authority No. 47. The Compact, Title II, Article XI, Section 6(b) requires that Certificate of Authority No. 47 be issued no later than June 1, 1991, and Certificate of Public Convenience and Necessity No. 47 will then be invalid. Accordingly, P&T Transportation Co., Inc., will be directed to file a new certificate of insurance in accordance with Commission Regulation 58 no later than Thursday, May 30, 1991, so that Certificate of Authority No. 47 can be issued to authorize continued operations. Failure timely to file the required evidence of insurance will result in simultaneous issuance and suspension of Certificate of Authority No. 47 on Friday, May 31, 1991, and the carrier will not be authorized to conduct operations.

THEREFORE, IT IS ORDERED:

1. That Certificate of Authority No. 47 is hereby conditionally issued to P&T Transportation Co., Inc., as appended to this order, contingent upon timely compliance with the requirement of this order.
2. That P&T Transportation Co., Inc., is hereby directed to file with the Commission, on or before Thursday, May 30, 1991, a certificate of insurance in accordance with Commission Regulation No. 58 and Order No. 3623, served March 8, 1991.
3. That upon timely compliance with the requirement of the preceding paragraph, Certificate of Authority No. 47 will be issued to P&T Transportation Co., Inc., and Certificate of Public Convenience and Necessity No. 47 will stand cancelled in its entirety.

4. That unless P&T Transportation Co., Inc., timely complies with the requirement of this order, Certificate of Authority No. 47 will be both issued and suspended effective Friday, May 31, 1991, and Certificate of Public Convenience and Necessity No. 47 will stand cancelled in its entirety effective Friday, May 31, 1991.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS WORTHY, SCHIFTER, AND SHANNON:

William H. McGilvery
Executive Director
